

Report of seminar on “Recent Updates on Wound Healing”

A seminar on “**Recent Updates on Wound Healing**” was conducted on **13th November 2025** at the **College Auditorium, Malladihalli**, from **10:00 a.m. to 1:00 p.m.** The program was organized for undergraduate students and faculty members with the objective of updating knowledge on contemporary advances in wound management.

The session was delivered by **Dr. Satish H.S.** [BAMS, M.S. (Ayu), PhD], a distinguished academician and expert in the field of Ayurveda and wound healing. The program commenced at **10:00 a.m.** with an invocation, followed by a welcome address by the **Principal, Dr. Sripathi Nagol**, who emphasized the importance of academic enrichment and evidence-based clinical practice.

During the seminar, Dr. Satish H.S. elaborated on the **Recent advances in wound healing**, highlighting the integration of classical Ayurvedic principles of Vrana with modern scientific understanding. He discussed the physiology of wound healing, factors influencing delayed healing, classification of wounds, and common complications. Emphasis was laid on updated therapeutic approaches, innovative Ayurvedic treatment, and the role of adjuvant therapies supported by recent research evidence.

The session was highly interactive, with active participation from students, who raised insightful questions that were effectively addressed by the resource person. The seminar enhanced the participants’ understanding of practical and research-oriented perspectives in wound management.

The program concluded at **1:00 p.m.** with a **vote of thanks**, expressing sincere gratitude to the **Head of the Department of Shalyatantra, Dr. Shivaganga R.E.**, for her guidance and support in organizing the seminar. Appreciation was also extended to the resource person, Principal, faculty members, and students for their cooperation and active participation.

Overall, the seminar was a great academic success and proved to be highly informative and beneficial for both students and faculty members.
